IMPORTANT INFORMATION ABOUT YOUR SERVICE

NEW AREA CODE IN WESTERN KENTUCKY

AREA CODE 270 TO SPLIT

Effective April 1, 2008, western Kentucky will begin using a new area code. The current area code of “270” will be split. The new area code is “364”, and will be used in the far western part of Kentucky. Some of the cities to utilize the new area code are Paducah, Henderson, Hopkinsville, Madisonville, Murray, and the area known as the “Land Between the Lakes”.

The Cities remaining in area code 270 include Bowling Green, Columbia, Glasgow, Elizabethtown and Owensboro.

The need for the new area code is due to the rising demand for new telephone numbers. A 6-month transition period where both the current area code of 270 and the new area code of 364 can be used will begin on April 1, 2008. However, beginning on October 1, 2008, the new area code of 364 **must** be dialed.
